CIVIL ACTION NO.

DECLARATION OF RECEIVER KELLY M. CRAWFORD

My name is Kelly M. Crawford, I am over 18 years of age, have never been convicted of any crime involving moral turpitude and I am fully competent to make this Declaration.

1. I am the Receiver appointed by this Court by an *Order Granting Plaintiffs' Emergency Ex Parte Motion for Statutory Restraining Order, Appointment of Receiver, and Other Equitable Relief (the "SRO")* entered on September 22, 2020 in the case styled above and I have personal knowledge of each of the facts stated below.

2. I reviewed the invoice from Scheef & Stone, LLP for the legal fees billed for the period from May 26, 2021 through July 25, 2021. I wrote off more than \$40,000 of time that I believed should not be billed to the receivership estate. Specifically, the original invoice I received

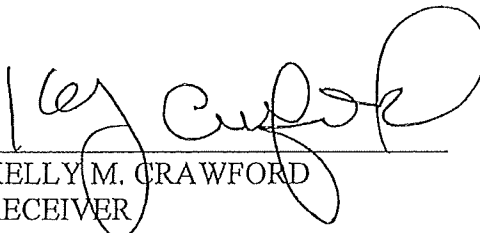

from Scheef & Stone, LLP totaled \$138,600 in fees. In exercising my billing judgment, I wrote off \$30,176.75 of legal fees to arrive at the total \$108,423.25, which I then discounted by 15%. I primarily wrote off time of associate attorney Jessica Rolls who has been returning calls from investors and assisting investors with the claims process. I also wrote off more time of the paralegals who worked on inputting information in the database of investor information, preparing claims to mail to the investors, analyzing claims received from investors, and communicating with investors.

3. Of the discounted fees¹ of \$92,159.76 billed by Scheef & Stone, LLP, \$48,984 of the fees were attributable to obtaining information from investors for the claims process, conferring with investors, analyzing the claims received from the investors, assisting me with my Claims Report, and assisting investors with pending metals orders obtain their metals or liquidation value from Bayside Metals.

4. I declare under penalty of perjury that the foregoing is true and correct and is within my personal knowledge.

Dated: September 10, 2021

KELLY M. CRAWFORD
RECEIVER

¹ After I reduced the final invoice by 15%.
